### **CCRCC Court Referral Program 3<sup>rd</sup> Graduation**

*Bowling Green, VA— Our recovery program in Caroline County had its third graduation on Saturday located at St. Asaph's Episcopal Church. There were fourteen graduates and over 100 people in attendance. Caroline County Commonwealth Attorney Tony Spencer addressed the crowd and helped the program director Frank Brewer present the certificates to the graduates. Other speakers were the Founders of The McShin Foundation John Shinholser & Carol McDaid, and Executive Peer Coordinator of McShin Honesty Liller. The success of these individuals is improving daily. Other awards given out were: Walker Lomax for Distinguished Peer Leader, Desiree Pitts for Volunteer Of The Year, and John Lewis for Most Improved Peer Leader. This event was a spiritual occasion for the graduates, members still in the program, community members, and the families that attended. There are currently 36 members in the CCRCC program and are progressing in their recovery daily.*

For more information on this event, contact The McShin Foundation at 804.249.1845 or visit their website at: [www.mcshin.org](http://www.mcshin.org).
